Pro 6 Point FHR Only FIA Harness

Product information

The 6pt Pro Superlite FHR Only harness is for drivers who prefer to use 50mm webbing where it passes over the HANS device. This harness has a 75mm shoulder and a 50mm lap. It has smooth running professional alloy adjusters on the shoulder straps and snap hook fixings all round. The shoulder straps can be wrapped around the roll cage if required.

TRS' light weight 140 gram quick release buckle is of composite construction and is attached to the crutch strap on 6 point harnesses.

Innovative features such as securing tabs for intercom cables on the shoulder straps and thumb loops on the lower shoulder straps were pioneered by TRS and are standard on all of our competition harnesses.

TRS harnesses can be manufactured in one of three different variants:

- The standard harness with steel adjusters.
- The 'Superlite' with aluminium adjusters on the shoulder straps and steel adjusters on the lap straps.
- The 'Ultralite' with aluminium adjusters on the shoulder AND lap straps.

Features:

- Available in two variants; Superlite and Ultralite.
- Snap hook fixings all around
- Option for the shoulder straps to wrap around roll cage if required
- Securing tab for intercom cables on the shoulder strap
- Thumb loops on lower shoulder straps
- FHR only
