

Lever Latch 4 Point 75mm FHR Only Harness

Product information

The Lever Latch 4 Point Harness has 75mm webbing all around and is available in two different variants. This harness is popular for oval track and rally kart drivers. The simple and robust lever latch release buckle works well, even in very dirty environments.

TRS harnesses can be manufactured in one of three different variants:

- The standard harness with steel adjusters.
- The 'Superlite' with aluminium adjusters on the shoulder straps and steel adjusters on the lap straps.
- The 'Ultralite' with aluminium adjusters on the shoulder AND lap straps.

Features:

- Available in two variants
- Popular for oval track and rally kart drivers
- Robust lever latch buckle design
- Snap hook fixings all round
- Eyebolts not included
- FHR only
