

## 50mm 4m 2000kg Heavy Duty Choker

### Product information

Made in England The heavy duty MA601 snap hook ratchet lashing is a two part assembly with a 3000kg rated break force, and is also known as an around the wheel lashing. It features a double locking handle ratchet, claw hook end fittings and is produced using blue 50mm width high tenacity polyester webbing.

Lashings are available from stock in 4m only. TRS can also offer a bespoke service that can quickly produce lashings with alternative lengths, end fittings, ratchets or webbing to order.

Webbing can also be customer printed with your company logo or other design. Minimum order qty is x 50 lashings for own brand printing.

### Features:
