Our History

TRS can today look back on an exceptional success story. Since its 1989 incorporation the company has become firmly established as the United Kingdom's leading motorsport harness manufacturer. With a dedicated team of enthusiastic professionals providing experience and expertise in safety harness manufacturing, the company has been propelled forward to play a major role in motorsports' improving safety record.

Through our network of dealers, TRS harnesses and accessories are distributed worldwide to motor sport professionals and enthusiasts who recognise the TRS brand as synonymous with quality and reliability. This is the cornerstone of TRS and is something we passionately believe in.

Safety First, Always
